

WM-uf~Sp09D07_0_upEA_UpAA CC

WM-uf~Sp09D07_0_upEA_UpAA BP

anterograde neuronal dense core vesicle transport		dense core granule transport		anterograde synaptic vesicle transport		regulation of microtubule binding
regulation of synaptic vesicle transport		synaptic vesicle cytoskeletal transport		dense core granule localization		
dense core granule cytoskeletal transport		synaptic vesicle transport along microtubule		secretory granule localization		
positive regulation of vesicle transport along microtubule		regulation of vesicle transport along microtubule		regulation of vesicle transport along microtubule		negative regulation of axon extension
positive regulation of vesicle transport along microtubule		positive regulation of vesicle transport along microtubule		negative regulation of microtubule polymerization		

WM-uf~Sp09D07_0_upEA_UpAA MF

dystroglycan binding

tau protein binding

WM-uf~Sp09D07_AA_down CC

signal recognition particle

signal recognition particle

signal recognition particle,
endoplasmic reticulum targeting
